

Our long term vision is to facilitate the strengthening and support of families.

Strong Families begin with Strong Marriages.

So we will make available:-

Marriage Preparation Courses -

We believe a marriage is more than a wedding and deserves a good foundation.

Marriage & Long Term Relationship Enrichment Courses -

We believe everyone wants a good long-term relationship and a good marriage provides the best background for secure and balanced children.

Parenting Children Courses -

We believe good teenagers develop from well-rounded children.

Parenting Teenagers Courses -

We believe healthy adults develop from healthy teenagers who need good role modelling and support.

All these tried and tested world-wide courses originate from England and the 'home' of the Alpha Course.

We will offer The Alpha Course every School Term throughout the year as part of our Discipleship Track.

We have affiliations with

COOPERS BEACH FAMILY CHURCH

Where families meet and become one

Who are we?

Coopers Beach Family Church is a ministry of Salt and Light Ministries Trust. A Registered Charity in NZ

We are an Independent Church with a theological bias as a Reformed Charismatic Church.

We believe Christianity provides the most fulfilling life possible and church should be a place of fun for all the family.

We also want to provide a place where any question regarding Christianity can be asked and treated with respect.

Statement of Faith

THE NICENE CREED AD 325

A Universal Statement of Faith for all Christian Churches

Our Mission statement is

Serving the community; making fully devoted disciples of Jesus Christ

Our founding team

Ps John & Cathryn White
Irene Knowler

We aim to provide a place where you feel

“Welcome Home”

“A place where families meet and become one”

We live in a 'world'

that is becoming increasingly fragmented, disillusioned, fearful and divided.

So we want to provide a place of love

and security, where we become a vibrant, exciting community; accepting one another, respecting one another and caring for one another.

We love living where we do

within a terrific neighbourhood. However, we want to enlarge that and also provide a place of more frequent and intentional interaction.

We want to be encouragers

and facilitators, releasing everyone into their full potential, realising their destiny, and using their God-given talents and abilities.

Our Vision

1 A Family Church

Seeking families that do not currently attend any church, particularly those without any Christian faith

2 A Welcoming Church

Accepting and respecting everyone, regardless of age, gender, life-style, ethnicity or social background

3 A Questioning Church

Where everyone feels able to ask any question they like about Christianity and know it will be treated seriously and with respect.

With a Discussion Time each week

4 A Disciple Making Church

Taking people without any faith and leading them into a relationship with Jesus that continues to grow and mature.

With a Discipleship Track

5 An Invitational Church

Where we all actively build relationships with people and invite them to join with us on this faith journey

6 A Blessing Church

Where we reach out to the community and bless them with tokens of respect and thanks

7 A Serving Church

Where we support each other and work together as a team to accomplish our vision.
